

Anatomy of the Legendary Tilley Hat

There's more to a Tilley Hat than meets the eye! ("Your symbol of getting more than you anticipated!")
The Hat that is so well made that it's guaranteed for life never to wear out.

Insured against loss or grievous damage. 2 years, all perils, 50% deductible; we will always meet you halfway.

Guaranteed for life not to wear out. Free replacement if it ever wears out, falls apart, shrinks or mildews.

Available in three fabrics – Cotton duck, Tilley Nylamium[®], and our **new** Hemp fabric. Most have a dark underbrim to reduce the glare from water, sand and earth.

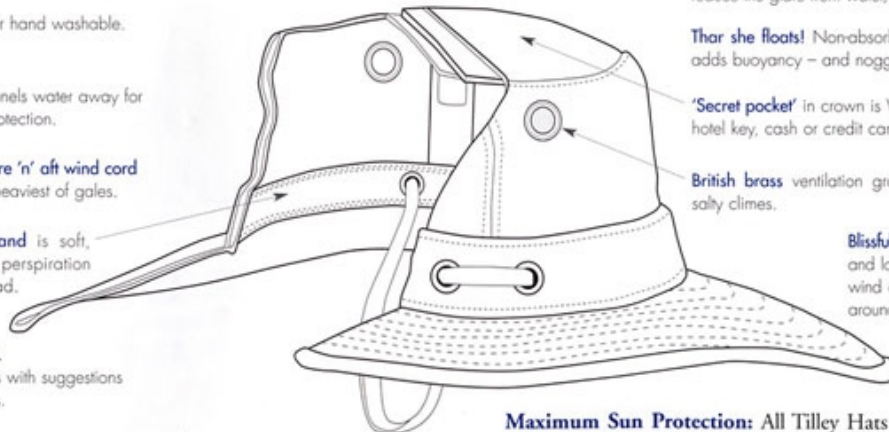

Won't shrink. Machine or hand washable. Air dries in a few hours.

Rain repellent. Brim channels water away for improved foul-weather protection.

Adjustable, tuckaway, fore 'n' aft wind cord keeps the Hat on in the heaviest of gales.

Hydrofil[®] anti-sweat band is soft, comfortable and wicks perspiration away from your forehead.

4-Page Owner's Manual. Available in 7 languages with suggestions from experienced owners.

Thar she floats! Non-absorbent foam liner in the crown adds buoyancy – and noggin protection.

'Secret pocket' in crown is Velcro-sealed. Stow away hotel key, cash or credit card, fishing licence,....

British brass ventilation grommets acquire a patina in salty climes.

Blissful comfort. Designed to fit low and loose, held on by gravity or the wind cords, not by painful pressure around your head.

Maximum Sun Protection: All Tilley Hats have been tested & certified to an Ultraviolet Protection Factor (UPF) of 50+.
